

10A NCAC 14C .2304 SUPPORT SERVICES

(a) With the exception of applicants that currently provide CT services, an applicant proposing to acquire a CT scanner shall document the availability of the following diagnostic services:

- (1) diagnostic radiology services;
- (2) therapeutic radiology services;
- (3) nuclear medicine services; and
- (4) diagnostic ultrasound services.

(b) An applicant proposing to acquire a mobile CT scanner shall provide:

- (1) referral agreements between each host site and at least one other provider of CT services in the proposed CT service area to document the availability of CT services if patients require them when the mobile unit is not in service at that host site; and
- (2) documentation that each of the services listed in Paragraphs (a) and (b) of this Rule shall be available at each host facility or shall be available through written affiliation or referral agreements.
